KALEIDOSCOPE 2012

It features animated short films (plankton invasion) produced by our partners TeamTO and "les Poèmes du monde" (volumes 1 & 2) produced by C chromatiques production.

Again this year, In collaboration with the Association Anne Marie Rallion IME COURS HERVE, we organized an afternoon reading of ecology fairy tales and a projection of animated short- length features for children as well as mentally disabled adolescents and young adults . There were twenty children, mentally disabled adolescents and young adults between 6 and 20 years old.

About TeamTo:

Based in Paris and Valence in France, TeamTO is an independent animation studio focused on producing innovative TV series and feature films. The company has partnered with Nickelodeon, Cartoon Network, Nelvana, TF1, France Télévisions and Canal+ and has earned numerous awards and nominations, including Emmys® and Cartoons on the Bay Pulcinella awards, as well as the European Producer of the Year award at the Cartoon Tributes 2010, and the French Producer of the year at the Procirep awards.
